ABOUT US

ONXON BC was started by a group of individuals who played badminton among friends around 2015. The group often meets for weekly sessions. The interesting part was at the beginning there were only 6 people involved. Then, our group slowly grew from year to year. Several locations were used as sparring venues including Sinamax Sri Gombak, Dewan Desa Bakti Selayang, Pro One Badminton Sri Rampai, SLK Badminton Setapak, Lavana Sports Center, Dewan Batu Muda Community Hall and currently at Taman Koperasi Polis 2 Community Hall

At the beginning of 2019, this group started to organise friendly matches around the Klang Valley & Selangor. As time went by, around the middle of 2019 the team came out with the idea of forming an official sports club. The team members wanted to bring this friendship and club to the next level and this happened during our casual chat.

At the end of 2019, the club committee members decided to officially register Badminton Sports Club. Few meetings were made to generate ideas, and proposals and to get the paper works done. Finally, on 2nd May 2020, our hard work has been paid off. Our mission was successfully achieved with the registration of ONXON Badminton Club under the Sports Commissioner and the Ministry of Youth & Sports.

OUR EVENT

On 26 April 2026, the UNIKL Phantom Shuttle Badminton Clinic, organized by UNIKL Phantom Shuttle Badminton Club in collaboration with ONXON Badminton Club, was successfully held from 12:00 PM to 6:00 PM at the Gombak Community Badminton Centre.

ONXON Badminton Club would like to express its sincere appreciation and gratitude to UNIKL Phantom Shuttle Badminton Club for the trust and confidence placed in us to manage this badminton clinic.

The clinic attracted more than 50 participants, reflecting the strong interest and enthusiasm for badminton development among young players. The training sessions were led by Coach Fadzan Radzak as the Head Coach, with the support of Coach Nazman and Coach Syed as Assistant Coaches.

In addition to the training sessions, a player selection process was also conducted. Following the assessment, 30 players were successfully shortlisted to proceed to the next stage of selection in the search for athletes who will represent UniKL MIIT Campus at the UniKL Sports Championship (USSC) 2026.

Overall, the clinic successfully achieved its objectives of identifying new talent and enhancing the fundamental badminton skills of all participants. The program provided valuable exposure, guidance, and opportunities for aspiring players to further develop their potential.

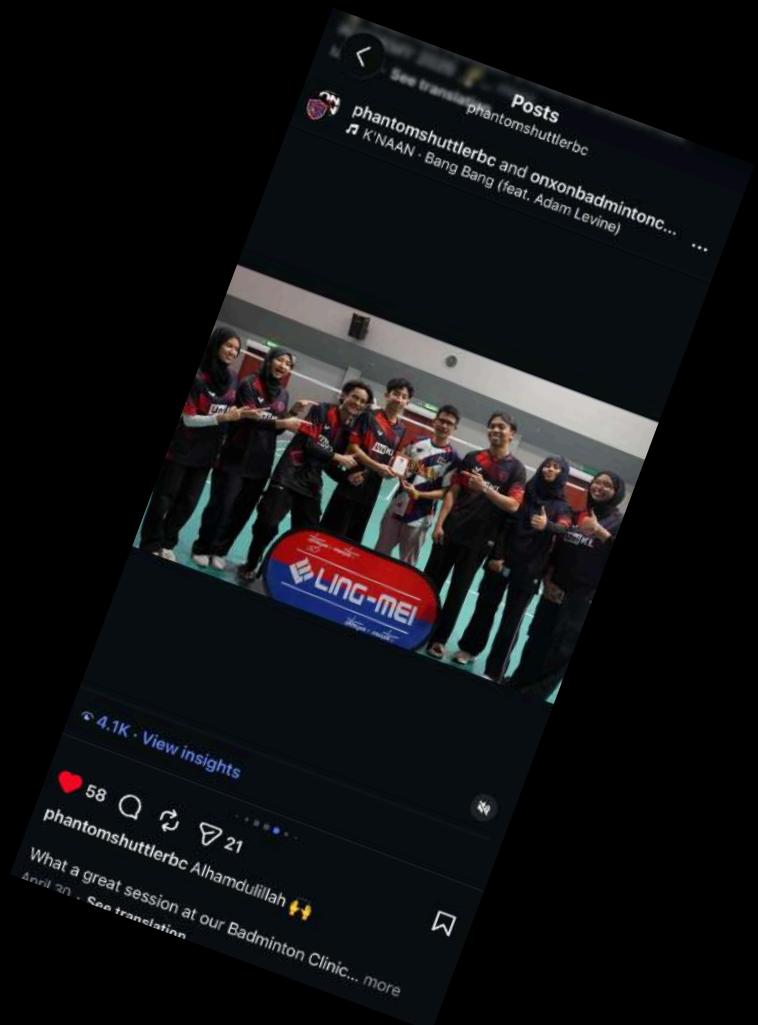

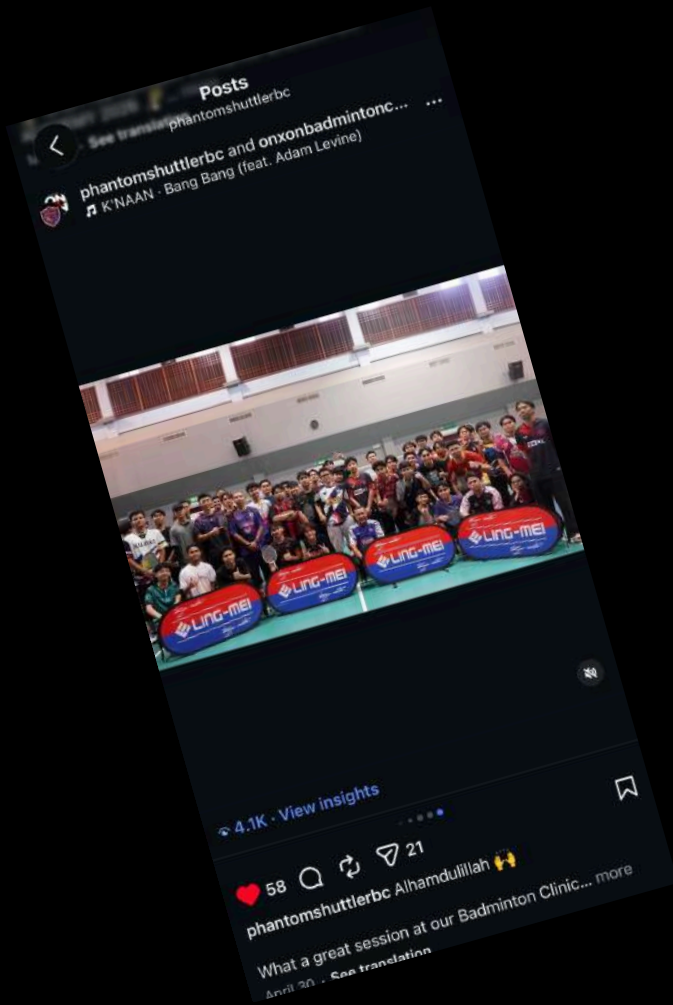

This opportunity was a great honour for ONXON Badminton Club and serves as a strong motivation for us to remain committed to nurturing future badminton talents and contributing to the growth of grassroots badminton in Malaysia.

We hope that the strategic collaboration between UNIKL Phantom Shuttle Badminton Club and ONXON Badminton Club will continue to grow stronger and bring lasting benefits to the development of badminton in the years ahead.

“Together with UNIKL Phantom Shuttle Badminton Club & ONXON BC: From Grassroots to Greatness”
